

# Summary of comments

27 May 2010

- High capital costs
- Grants available
- Co-operation in supply chain required
- Bottlenecks in processing – education, capacity and rationalisation

- MUST be competitive in quality and price
- Key markets:
  - hardwood for flooring
  - trusses
  - rim bearing
  - timber frames

- Need legal drivers
- Can BRE green guide help?
- Marketing?
- Two models
  - Whole tree SME
  - High volume processors
